

Dr. Anna Wasiewicz DMD, MSc, PhD

Received her dental education at the Medical University of Warsaw in 2007. Since 2007 she has been working at private practices in Warsaw limited to orthodontics and has been using lingual orthodontics since 2008. In addition to the clinical work she has been involved in research and teaching at the Department of Orthodontics at the Medical University of Warsaw since 2010. Her research interests include facial and dental aesthetics, lingual orthodontic treatment, TADs and interdisciplinary approach in adult patients. She has received scientific awards for some of her studies, including those given by the Rector of the Medical University of Warsaw in 2005, 2015 and 2018. Dr. Anna Wasiewicz defended the PhD degree in 2015. In 2015 she also completed the International Master's of Science course in Lingual Orthodontics at the Federico II University of Naples, Italy. Dr. Anna Wasiewicz is a member of Polish Orthodontic Society, European Orthodontic Society, American Association of Orthodontists, Italian Orthodontic Society and the Orthodontic Section of the Polish Dental Society.
